

Directions

From Fresno, California, take Highway 41 north through Oakhurst and go up the hill. Turn right on Road 222 toward Bass Lake, keep right for 3.5 miles to the Bass Lake Campground office (Make sure you stay on road 222, it makes a sharp right when you get close to the lake).

Recreation Point is located across from the Bass Lake Campground office. Bring \$10 for parking.

We will be at “the Cove” day use site at Recreation Point. If you come to “the Forks”, then you have gone to far (turn around).
